

Haf Audio

Laminar 15 Subwoofer

Specifications:

AES I000W

Peak power 4000W

8 ohm

Operating range 32-100 Hz (processed- with HP/LP filters on)

-3db 38 Hz

Peak SPL 1W/ 1m 131 db 2pi

15" ultra long excursion neodymium driver

Durable paint finish

Heavy duty impact resistant protective steel grille

Two handles

Laminar port for low turbulence and maximum SPL output

Internal bracing for maximum energy efficiency

M20 pole mount
